TOPICS OF INTEREST

Research Interests & Expertise

Social-Emotional Learning & Well-being

- Research on stress, coping mechanisms, and resilience in various contexts (educational, familial, organizational, social).
- Alignment with EU guidelines on well-being and mental health in schools.

Family and Couple Psychology

- Focus on family dynamics and coping with chronic illness.
- Studies on parenting, relationships, and psychological resilience.

Inclusion & Educational Equity

- Supporting students with socio-emotional competencies (ESCs) and disabilities.
- Applying rights-based approaches to foster inclusive education.

Teaching, Learning & Assessment

- Investigating factors influencing teaching methodologies and assessment strategies.
- Developing evidence-based interventions aligned with EU educational policies.

Experience with EU & UN Policies

- Familiarity with EU policies on well-being and mental health in education.
- Awareness of UN frameworks in education and social inclusion.
